MORE PROGRAMS TO HELP YOU THRIVE

Your RRD benefits just got better with these new programs in 2026.
Learn more at myRRDbenefits.com.

SleepCharge

RRD's exclusive network provider for sleep conditions such as obstructive sleep apnea, insomnia, restless leg syndrome and circadian rhythm disorders. There is no coverage if you use other providers. SleepCharge offers no-cost telehealth visits with a board-certified sleep physician, diagnosis and individually tailored treatment for sleep problems.

WellTheory

Expert guidance and personalized support to help manage autoimmune and inflammatory conditions.

OneImaging

MANDATORY

Get medical imaging — like MRIs, CT scans, X-rays and mammograms — with lower wait times and costs. **The Plan provides no coverage for MRIs or CT scans provided by other providers (except in the case of urgent care or emergency).**

Maven Clinic from BCBSIL

Fertility and family building, maternity and postpartum care, parenting and pediatrics, menopause and ongoing care. (Not included with BCBS Coupe PPO.)
